TEA CLUB HOUSE RULES

Our club is our home:
we create a warm, welcoming space for our guests. We gather here for the tea — its taste, its aroma and the quiet it calls for. To make every tea session a pleasure for everyone, we have a few house rules.

SERVICE TERMS

Last admission for a "Pin Cha" tea session is **40 minutes before closing**; for boiled tea, **90 minutes before closing**. Every tea session ends at closing time.

If you arrive without a booking, you may have to wait **up to 20 minutes** for a tea master.

Each tea session lasts up to an hour and a half. To stay longer, please choose a tea for a new session.

The "Tea to Go" service **does not include a seat at a tea table**.

Pets are welcome in the shop, but **please join tea sessions without them**. Guide dogs are the only exception.

We brew only teas chosen from our own selection. We do not brew tea you bring with you, even if you bought it in our shop.

We brew one tea per group, using a single set of the club's own teaware.

Boiled tea is prepared only by a tea master. Please do not boil tea yourself.

If you accidentally or deliberately damage anything belonging to the club, the management **may ask you to cover the cost**.

not allowed in the tea club

- Smoking cigarettes, vapes or any electronic smoking devices
- Drinking alcohol, using drugs or being intoxicated
- Eating any food, including snacks and sweets, or drinking anything you brought with you. Exception: when your health requires it

- Switch your phone to silent mode
- Play music and videos through headphones only

OUT OF RESPECT FOR ONE ANOTHER, PLEASE:
